This year Mayo Street is celebrating it's 130th Anniversary and it is because of Christ's Great Love for us that it has stood the test of time. Christ has a reason for Mayo Street Belfast City Mission and a purpose for us to serve the people of the area, which we endeavour to do with love!

We praise God for His help over the busy Christmas period, that now seems so long ago! The Toy Appeal was well supported, and we thank everyone who

gave to that. We were able to supply needy families, with food and toys, to help them have a better Christmas, which was a blessing for us, just to see how much they appreciated everything. All our Christmas parties went well, with the kids, and adults, having lots of fun! Our Carols by Candlelight Service was also well attended which was encouraging!

Since the beginning of 2019, we have had a few Anniversary events which were well attended. We had a Testimony night by Margaret Cameron in January, and a Rainbow of Hope Puppet Ministry Family Service in February.

Mayo Street Mums And Young Ones and Kids Club continue to thrive, with new faces each week, which is a great blessing. We also have had many great nights of prayer at our Thursday night meeting and this has been encouraging. However, since Christmas our Sunday School numbers and Sunday Evening numbers have declined which is discouraging.

It is hard to believe that over the next weeks and months we will be organising and running end of year events, as well as other special services and events in celebration of 130 years. Please remember these all in your prayers, especially our Anniversary Mission in April. (See attached invitation & poem which will be going into every home in the area!)

As well as the weekly work and future planning, other necessary duties continue, like visiting the sick, the bereaved and taking outside meetings, so it can be hard to get the right balance between work life and home life. Please pray that we would get this balance right and never be too busy for our family or our spiritual life!

MAYO STREET 130th ANNIVERSARY 1889 - 2019

"We love because He first loved us,"
our verse for Mayo Street,
because we want to show God's love
to everyone we meet!

Most people may not realise
the time Mayo Street has stood,
on this its's 130th Anniversary year,
they would remember if they could!

A place where God's word has been shared
with those from young to old.
Where many different missionaries cared
about the truth that needed told.

You see, 130 years have passed,
but never once did falter,
the message of the gospel
or the lives that it can alter.

Oh yes, the world is a different place
since 1889,
with electricity, TV, motors cars,
indoor toilets, computers,
mobile telephones...

Sure, we could go on and on
about the things that man has made,
but nothing will change the fact
that each one of us needs to be saved!

The truth is that in all these years,
God's word remains the same
"We all have sinned and fell
far short of God's glory,"
that's why He came.

Remember what God did for you
that day on Calvary
"He sent His One and Only Son
To die upon a tree."

Each one of us - whether young or old,
needs to recognise our fate.
We need to ask Jesus to forgive our sins,
you don't want to leave it late!

Every cross word, every awful thought,
every bad action forgiven,
when Jesus died upon that cross,
for your eternal salvation.

Time passes oh so quickly,
and months run into years,
and before you know it,
the world takes hold,
"Look to Jesus" - no longer you hear told!

Believe is all you have to do;
"Trust in God and be forgiven";
Come as a little child today,
and you'll have an eternal home in Heaven.

Come now, today,
don't leave it any longer;
"Now is the accepted time,"
you may never see tomorrow!

Make the right choice,
choose the life that God has planned;
"Plans to prosper and not harm you,
hope and a future in God's hand."

So on this our 130th Anniversary Year
please come and help us celebrate,
God's blessing showered on Mayo Street
to greet you would be great!
